El Dorado County baseball fans will divide their loyalty Sunday at Marcus P. Bennett, Jr. Memorial Park when the second place Georgetown Club invades the county seat for a game with the Merchants in the Foothill League.

The game is called for 2:30 o'clock. Georgetown has four victories and only one defeat while the Merchants are right behind them in the league standing with three victories and two defeats, so that the Merchants are hoping to climb into a tie for second place while Georgetown is hoping to stay more closely on the heels of the fast Folsom organization, which last week trimmed the Merchants, 13 to 6.

Dr. W. A. Reckers will be out of his office for the next six weeks.

With Mrs. Reckers and their daughter, Miss Florence, and Mrs. C. A. Swisher, of Sacramento, the doctor will leave Sunday morning on the first leg of a visit to Alaska.

"We hope to be back about August first," he said.

The party will go by automobile to Seattle and from there by boat to Seward, thence by train to Fairbanks and then to the Yukon River and by boat to Dawson, and to Whitehorse and then by train to Skagway and by boat to Seattle.

On other summer vacation jaunts in recent years the same group has visited Hawaii and Old Mexico.

### Troop 57 Has Meeting At Swimming Pool

Troop 57, of Boy Scouts met at municipal plunge Thursday for a swimming party. Some of the troop passed swimming tests and witnessed life-saving demonstrations by Calvin Wright and Elzear Des Jardins. A weenie roast followed the swimming after which the regular meeting was held. Plans for summer camp constituted the main business. Seventeen boys plan to attend the camp at Lake Audrain for a week. Most of the boys will earn their own expenses and will be grateful for the cooperation of parents and friends in this regard.

### Druids To Initiate Ten On Tuesday

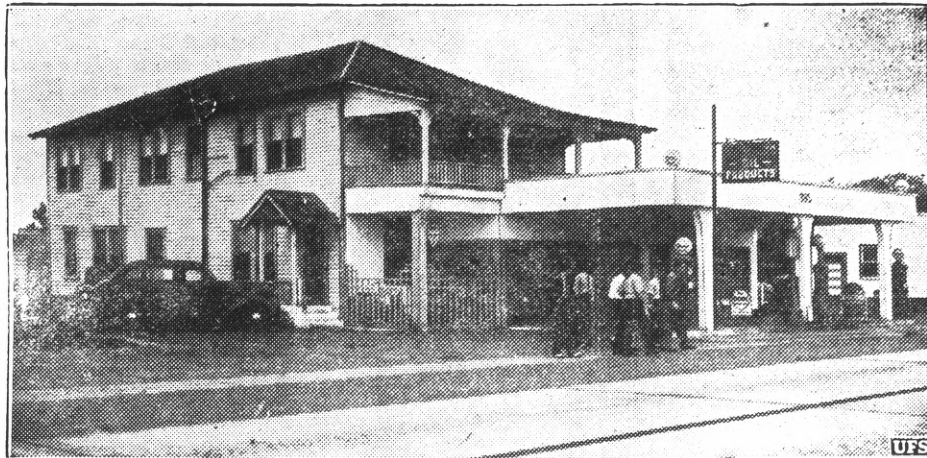

California Grove No. 1, Druids, is preparing for a special occasion at the meeting Tuesday night, when ten candidates will be initiated. The initiatory work will be by the degree team of Waltham Grove, No. 6, of Sacramento, and visitors from the other two Sacramento groves are also expected to be present.

### Artist Finds His Life "Begins" At 40

ST. LOUIS, (U)—Life began after 40 for Saul Raskin, artist, who won the Chicago Art Institute's Logan prize and whose works are included in permanent displays of more than 15 American museums.

"Until I was 43 I devoted myself to journalism and Jewish literature," he said. "But in 1921 I spent the summer in Palestine. What I saw there impressed me so much I began drawing and came back to America with about 100 sketches. They were well received, and since that time I've devoted all my time to drawing."

Raskin still spends much of his time in Palestine and much of his work represents his impressions of the country. He is a member of the American Water Color society. He was awarded the Logan prize in 1930.

### "SUICIDE WATCH" ON KIDNAPER

24-Hour Guard Placed Over Prisoner Admitting Theft, Killing Of Jimmy Cash

MIAMI, Fla., (U)—A "suicide watch" was placed on the skyscraper jail cell of Franklin Pierce McCall, 21, kidnaper and killer of five year old Jimmy Cash today after Sheriff D. C. Coleman had learned that the youth was resigned to his fate.

"He has indicated, in his present frame of mind, that he will plead guilty," the sheriff said.

Transferred from the federal bureau of investigation headquarters, where he confessed yesterday that he alone was responsible for the kidnapping, the death and the taking of \$10,000 ransom, McCall was put in a windowless cell on the 19th floor of the courthouse. He was stripped of his belt and shoelaces, searched thoroughly and placed under 24-hour guard. An attendant will be with him day and night. An extraordinary grand jury is impaneled Monday to indict him.

He will be tried by the state, under a law that punishes kidnapers with death in the electric chair.

He has admitted everything," the sheriff said, "including the killing of the child, but claims the death was an accident in keeping the youth quiet while getting away from the Cash home."

The denouement of the seventh child kidnapping since 1932 came yesterday to FBI headquarters, a block from the courthouse, when J. Edgar Hoover, the head of the bureau, called in newspapermen and announced that McCall had confessed in full.

### DEFIES ANCIENT CURSE; VIOLENT DEATH FORESEEN

LONDON, (U)—A curse which is said to have cost many lives was defied by F. W. Jacquemin, of Wolverhampton, when he lay down in the desecrated Sarcophagus of the last abbot of the ruined Bindon Abbey at Wool, Dorset.

By his action, Jacquemin has, according to local superstition, doomed himself to violent death within a year.

Since the abbot's tomb was robbed more than 200 years ago, the curse is said to have been on it. It was in this sarcophagus that Angel Clare, in Thos. Hardy's "Tess of the D'Urbervilles," while sleep-walking on the first night of his honeymoon, placed the tragic Tess.

Several persons who have defied the curse have been killed in accidents.

Mr. and Mrs. W. S. Kirk returned Friday evening from Los Angeles where they had spent the week. Mr. Kirk attending the annual meeting of the Shrine, being a member of Ben Ali temple, of Sacramento.

Want to help out a bunch of swell guys?

Well, some of the Boy Scouts who want to attend the annual summer camp at Lake Audrain are a little bit shy on funds and they are looking for chores they can perform to help earn the money to pay for their stay at camp.

Each Scout who attends the camp will stay about ten days and his expenses will be about \$1 per day.

Harry S. Brown and Duncan Caldwell have designated themselves as "employment agents" for these boys, and if anyone has any jobs which the lads can do, they are requested to notify these men.

Wouldn't it be funny if Dr. Reckers, leaving in the morning for Alaska, should find the weather warmer there than it is in Placerville right now?

A son, Ronald Eugene Fairchild, was born June 1 at Placerville Sanatorium to Mr. and Mrs. Alton Ellsworth Fairchild, according to a certificate of record Saturday at the office of Recorder Charles Marsh.

A son, William R. Norrish, Jr., was born June 9 at Placerville Sanatorium to Mr. and Mrs. W. R. Norrish, according to a certificate recorded Saturday morning with Recorder Charles Marsh.

A son, Lloyd Alan Walker, was born June 9 at Placerville Sanatorium to Mr. and Mrs. A. S. Walker, of Caldor, according to a certificate recorded Saturday with Recorder Charles Marsh.

William Lehman was among those in town Saturday from the Penobscot vicinity.

Alfred R. Liddicoet, who was operated upon Wednesday at Sutter Hospital, is getting along nicely. Dr. D. W. Babcock reported Saturday morning.

Mr. and Mrs. Henry Tracy returned Friday evening from a week's visit at the Bay District.

The view up Hangtown Creek from the Bedford Avenue bridge toward what some used to call "old Fort Sumpter", shows one or two apparently stagnant pools along the creek which, it seems, might become breeding grounds for mosquitoes and other unhealthy things. This could be eliminated if the various "coffer dams" were broken and the creek allowed to flow freely.

Ray Hewitt, resort reporter for radio station KFWB, was here Saturday gathering material concerning El Dorado County to be used in radio presentations in behalf of the Pierce-Arrow Stages and the Greyhound lines.

Farm Advisor Ivan Lilley and James A. Irving were at Stockton Saturday attending the dedication of the new Farm Bureau building there.

Suit for divorce was on file in Superior Court Saturday in behalf of Merle Collins against Marvin Collins, charging cruelty and neglect. The couple wed at San Francisco, October 10, 1936, and separated April 20, last. They have one child whose custody plaintiff asks.

Birth of a son, Armond Dee Sanders, to Mr. and Mrs. J. Calvin Sanders, of Pollock Pines, on June 7, was of record Saturday at the office of Recorder Marsh.

The Bartlets are on the road again this week, going to Grass Valley Sunday for a set-to with the Braves, who dropped a close one last week to the third-place W. & R. nine, of Placerville, 5 to 4.

The Barts dropped an equally close game to the league leading Folsom Club, 3 to 2, last Sunday, and if this is a basis for comparing the strength of the two clubs, Manager Al Prince and his crew should turn back the Grass Valley attack.

Colfax goes to Folsom Sunday afternoon to tackle the league leaders while Auburn goes to Roseville to meet the Tigers and the Roseville W. & R. nine opposes Loomis on the Loomis field.

### Judge Thompson Lion Speaker

Will Address Club Tuesday In Observance Of 161st Birthday Of Old Glory

Judge George H. Thompson will be the principal speaker at Tuesday's regular luncheon of Placerville Lions at Hotel Raffles, it was announced Saturday by Max Baer, chairman of the club's entertainment committee for June.

Since the regular meeting of the club falls on the 161st anniversary of the adoption of the Stars and Stripes as the American flag, Judge Thompson has been asked to speak on that subject. The Lions regularly open their meetings by reciting the "Salute to The Flag."

Mr. Baer also announced that in view of the approaching high school bond election—set for June 17—and in consideration of the Lions' interest in the high school, James A. Irving will address the club in that connection, explaining the need for the enlargement which approval of the bond issue will make possible.

Mr. Irving is and has been for many years the chairman of the governing board of the high school.

### Hangtown Camp Favors Veterans' Council

Members of Hangtown Camp, United Spanish War Veterans, at their meeting Friday night initiated a movement to establish a veterans' council in El Dorado County, which would be composed of the members of the U. S. V., the Veterans of Foreign Wars and the American Legion and would devote its attention to affairs in which the members of all veterans' groups have a common interest.

Henry Toedt was a visitor at the meeting and announced his intention to transfer his membership from George A. Marshall camp to the Hangtown Camp.

Mrs. Jesse Stevens returned Friday evening from Georgetown Ranger Station, where she had spent the week-

### MERRIAM FOR GOVERNOR CLUB HAS H. P. BROWN AS COUNTY CHAIRMAN

Swift Berry, C. S. Collins, C. G. Price And Harry Bell Named Vice-Presidents With James A. Irving, Secretary And Homer Madden, Treasurer, At Luncheon Meeting

A county organization to assist the campaign for the re-election of Governor Frank F. Merriam was formed this week at a luncheon meeting at Hotel Raffles.

Announcement of the meeting, held at Hotel Raffles on Thursday, was made Friday afternoon. Officers of the El Dorado County Merriam-for-Governor Club are:

H. P. Brown, manager of the Diamond Springs Lime Company, president;

Swift Berry, manager of the Michigan-California Lumber Company; C. S. Collins, automobile dealer; C. G. Price, manager of the California Door Company, and Harry Bell, vice-presidents;

James A. Irving, secretary, and Homer Madden, treasurer. Earl Lee Kelly, director of Public Works, H. Norton, of the highway commission and Clarence Morris, of San Francisco, with Frank Reed, northern California field co-ordinator for the Merriam campaign, attended the meeting, along with a number of El Dorado County Republicans.

Mr. Morris reviewed the work of Governor Merriam's administration and pointed out that when Governor Merriam took over the reins, the state had a \$31,000,000 deficit. The state's affairs have been operated in such a manner, he declared, that had it not been for the last special meeting of the Legislature, the deficit would be entirely rubbed out at this time.

However, the deficit will be cleaned up by the close of the present fiscal year, he declared.

Mr. Morris pointed out that the state's affairs are in such excellent shape that the state's bonds are sought after and purchased with a confidence which is enjoyed only by bonds of the federal government. This is a statement, he declared, which can not be made in reference to the bonds of many other states.

In addition to its political significance, the meeting had an added importance for El Dorado County because of the visit of Mr. Kelly and his reference to state road building activities.

Mr. Kelly said it is his policy as director of public works to seek the completion of the Sacramento-Lake Tahoe road especially the Sacramento-Placerville section, and intimated that this work might be done in two major contracts.

He pointed out the many demands on

## French Restore Roman Theater At Vienne

VIENNE, France (U)—An open-air Roman theater, said to be the largest in the world, will be reconstructed here July 2 with President Albert Lebrun occupying what was once the imperial box to view a presentation of Shakespeare's "Julius Caesar," staged in costumes like those of the old Romans.

The restored amphitheater seats 9,000 spectators and its acoustics are so perfect that every word spoken on the stage can be heard distinctly from the most distant seats. It is the 35th Roman theater to be discovered in France.

## RESCUE

The Green Valley school picnic and reunion held on Sunday at that school was largely attended and about 175 were present. Although the attendance did not measure up with that at the diamond anniversary celebration last year, the pupils were well represented. Only four teachers were in attendance. Mrs. Ruby Melchior, Mrs. Florence Pratt, Miss Eloise Dunlap and E. J. Fitzgerald, our county school superintendent. A sad feature of the program was the knowledge that four pupils who were in attendance last year had passed away in that short time and also one who had been a resident of the district ever since the schoolhouse was built passed on just before the year had elapsed. Many came early and visited until 12 o'clock when a cafeteria style lunch was served and enjoyed by all present with plenty of coffee, ice cream and lemonade. The program was opened by Mrs. J. C. MacDonald at 1:30 o'clock with the flag raising by the second oldest living pupil, Wallace Rust, and the salute to the flag led by Superintendent Fitzgerald. All sang "America," "School Days" and "When You and I Were Young, Maggie." Letters were received from Clyde Wulff, of Flora, Oregon, and Mrs. Mamie Forni, of Georgetown. Two selections were played by the 4-H Club orchestra and Superintendent Fitzgerald spoke. All sang "Old Green Valley," composed by Mrs. Edna Glenn, and Ward Booth spoke of school days; the 4-H Club girls' quartette sang two numbers and Mr. Gearhart, of San Juan school, sang "Friend O'Mine." A few words by Mrs. Melchior, Mrs. Emma Kipp and Mrs. Tillie Barton, of Sacramento and Will Rust, of Placerville, followed. Mrs. MacDonald was re-elected president and Miss Eloise Dunlap, secretary. The 4-H Club orchestra played a number. Fred Wessels sang and all joined in the closing song, "God Be With You." It was voted to hold another picnic next year at this time.

The funeral services for Mrs. Philippa Engesser, a pioneer resident of Green Valley, were held from her late home last Friday afternoon. A large gathering of friends from far and near

was present to pay last respects to one who was loved by all who knew her. Relatives and friends were present from Dixon, San Francisco, Clarksburg, Sacramento and numerous other communities. Friends of this vicinity all join in extending their sincere sympathy to Mr. and Mrs. A. J. Engesser.

The joint program given by the Green Valley school, Miss Eloise Dunlap, teacher; Carson Creek school, Mrs. Pearl Dunlap, and Springvale, Mrs. Florence Pratt, on Friday evening, was a decided success. The program was well rendered by the children. Superintendent E. J. Fitzgerald presented the certificates of graduation to four students, Elenore Lynch, Bessie Meder, Irene Muir and Lyman Dunlap. Mrs. Kathleen Dwyer, rural supervisor, presented the same four students with reading certificates. Refreshments of ice cream and cake were served. About 150 were present.

## GARDEN VALLEY

Mr. and Mrs. Vance Daniels, Mrs. Moffett and daughter, Marian, are spending a week in the Lake Tahoe vicinity.

George Grebles was in Sacramento Tuesday on business.

The graduation exercises for our nine graduates were held in the community hall Saturday evening. The program, presented by the young graduates, was very impressive and beautifully done. There were several songs by the entire school. Rev. Morehouse and County Superintendent E. J. Fitzgerald were present and assisted in the program. The class motto was "Hitch Your Wagon To A Star." The class colors were blue and gold and the class flowers were Bachelor Buttons and yellow daisies.

There are quite a number of grasshoppers in and around Shingle and it

looks bad for the gardens. Mrs. Barrett and daughter are now home from the Islands for a short visit with Mrs. Barrett's mother, Mrs. Morgan.

Mr. and Mrs. Erwin, of Latrobe, called in Shingle this week on their way home from Placerville.
